ANNUAL  
FOUNDATION  
REPORT**

THE KEY WEST  
*Harry Truman*  
FOUNDATION, INC.

# E

The Key West Harry S. Truman Foundation's mission is to preserve the Harry S. Truman Little White House, Florida's only presidential museum, and programming that supports civic engagement, education, and the historical and cultural influences of the Truman era.

# D D D E D D

As you know, our Foundation, like many amongst us, has undergone tremendous change in the past couple of years. I am pleased to share that during that time we implemented new software programs, created the White Glove VIP Tour Experience, expanded operations into Building 21 with the “Foundation Wing” and so much more. The following report provides an opportunity for you to learn more about projects, programming, and stewardship, as well as an opportunity to thank you; our members, volunteers, and community partners for your continued support! Of course, the team and I are looking forward to continuing our forward motion, particularly with the return of more programming and Little White House restoration efforts.

I am grateful for the opportunity to serve you, to work with the Foundation team and the team at the Harry S. Truman Little White House Museum. We have an exciting year ahead of us. Keep an eye out for our newsletters, volunteer opportunities and support opportunities.

Thank you,

**Clinton Curry**  
Executive Director  
Key West Harry S. Truman Foundation

# **BOARD OF DIRECTORS**

**CHAIRMAN  
CHRIS BELLAND**

It is a great honor to be associated with the effort to preserve and protect this historic home of the late former President where so much history was made. We hope that in some way we will be able to continue this tradition of history for future generations.

**VICE PRESIDENT  
ED SWIFT III**

Being born in Missouri and having heard Harry Truman speak at Key West High School in 1959, I've always felt a close personal connection to President Truman. Even more so, my father was a photographer for the St. Louis Star Times in St. Louis, Missouri, and took a photo of newly elected President Truman holding the now famous "Dewey News Paper" while standing on the caboose of the Train in Union Station St. Louis.

Oh, and by the way, my mother Helen took a photo of Past President Truman and John Spottswood on Spottswood's P.T. Boat, on the bridge. President Truman was an extraordinary man and president. To now serve on the Board of the Harry S. Truman Little White House as a foundation board member is indeed an honor.

**TREASURER  
JEANNA GARRIDO**

The Little White House is a special part of the fabric of Key West and our nation's history that we all must protect and preserve. From the President's Grandson, Clifton, being active in our efforts to the engagement by the National Fire Sprinkler Association, I am honored to help with the Foundation's mission. President Harry Truman said it best with this quote. "It's amazing what you can accomplish when you do not care who gets the credit."

**SECRETARY  
JULIO TORRADO**

I am honored to serve on the Board of the Key West Harry S. Truman Foundation and help advance its mission to preserve the Harry S. Truman Little White House and the historic and cultural influences of the Truman era.

**CAROL HILL  
BOARD MEMBER**

The foundation is an important part of preserving the history of President Harry S. Truman and The Little White House and I have been proud and grateful to be a part of it.
